

13th February 2017

Dear Coach and Team Manager

From 1 January 2017, all organisations, including sporting organisations that work with children, are required by the Victorian Government to have in place Child Protection Policies.

The Mornington District Basketball Association has adopted these policies and they can be viewed on our website at www.morningtonbasketball.com.au.

Any person in our Association who works, coaches, supervises or has regular unsupervised contact with people under the age of 18 years is **now required to complete a Member Protection Declaration (MDP) form**. In addition to the MDP every Coach and Team Manager must hold a valid Victorian Working With Children Check and must have Mornington District Basketball Association listed as an organisation. To update your details visit www.workingwithchildren.vic.gov.au/

Police officers and teachers are not required to have a Victorian Working with Children Check.

In order to comply with the new policies you are required to do the following:

- Complete the compliance agreement below
- Complete the Member Protection Declaration
- Update your Working with Children details to list MDBA (or apply for one if you do not already hold one).

All information must be returned to the Mornington District Basketball Association **by no later than 1st March 2017. Unfortunately, we will not be able to fixture any teams that forms remain outstanding after this date.**

Breakers coaching staff that have been screened for the current Season are not required to re-submit their forms this year unless their Working with Children Check is no longer valid.
