As a coach or other staff (not Team Manager) on tour either internationally or domestically, I hereby agree to accept membership of the team, on the following terms and conditions.

Conditions

1. I agree to abide by the following conditions:
 - 1.1 My obligations under this agreement shall take precedence over my obligations under any other agreement for sponsorship or any other matter in conflict with this agreement that I may have entered into.
 - 1.2 Whilst participating or traveling with the team I will comply with all lawful directions of the Head Coach, the Assistant Coach, the Team Manager and the Assistant Team Manager and other staff members.
 - 1.3 Whilst participating or traveling as a member of the team, I will ensure that my behavior is proper and such as would be expected by Mornington District Basketball Association when representing it. Without limiting the generality of that, specifically I will comply with Basketball Victoria's Codes of Conduct, By-laws and policies.

Rules

2. I will comply with the following rules at all times when participating or traveling as a member of the team.
 - 3.1 Use or consumption of alcohol or tobacco products or drugs (other than for medical purposes) by minors and all players is prohibited at all times whilst participating or traveling as a member of the team. This includes end of tour parties, even if other teams do not have or do not obey this prohibition.
 - 3.2 No female may enter any male's room in the accommodation provided for the team, nor may any male enter a female's room. This applies at all times.
 - 3.3 Intimate relationships (whether or not of a sexual nature) between managers or coaches and players can have harmful effects on the individual player involved, on other players, and on the sport's public image. Such relationships may be perceived to be exploitative because there is usually a disparity between managers and coaches and players in terms of authority, maturity, status and dependence. Given there is always a risk that the relative power of the manager or coach has been a factor in the development of such relationships, they must be avoided by managers and coaches at all levels. In the event that a player attempts to initiate an intimate relationship, the manager or coach must take personal responsibility for discouraging such approaches, explaining the ethical basis for such actions. No matter what age the manager or coach and player are, Mornington District Basketball Association prohibits such relationship between managers and coaches and players in the teams which they are managing or coaching.
 - 3.3 Any curfew set by team management must be obeyed at all times.
 - 3.4 No player or coach may provide any information to or conduct any interview with a representative of the media about the team or the tour without express approval of Mornington District Basketball Association.
 - 3.5 All team members including staff shall attend and be punctual for all team training sessions, meetings, games and travel arrangements.
 - 3.6 All moneys due (if any) as a member of the team including clothing, travel and other costs shall be paid as required.
 - 3.13 Staff members shall comply with all Commonwealth, State or local laws at all times whilst a member of the team.

Injury Loss or Damage to Persons or Property

3. If I cause injury, loss or damage to any other person or property in any way, I shall pay for that injury, loss or damage as required by law and I shall keep Mornington District Basketball Association, its servants and agents indemnified against such injury, loss or damage unless such injury loss or damage was covered by an insurance policy held by Basketball Victoria..
4. If I am injured or suffer loss or damage to property, Mornington District Basketball Association, its servants and agents shall not be responsible for such injury, loss or damage whether or not such injury, loss or damage was caused by Mornington District Basketball Association or its servants and agents, by negligence or otherwise, unless such injury loss or damage was covered by an insurance policy held by Mornington District Basketball Association.

Breach of Conditions and Rules in this Agreement

5. If I breach any of the conditions or rules contained in paragraphs 2 and 3 of this agreement I understand that I may be subject to all or any of the following measures:

- Expulsion from the team at the sole and absolute discretion of the Team Manager or Mornington District Basketball Association.
- Immediately be sent home at the sole and absolute discretion of the Team Manager and/or Mornington District Basketball Association at my own expense
- Referral of my conduct to a hearing by a Basketball Victoria Tribunal
- An investigation under the Basketball Victoria Tribunal By-laws
