

2-Game Membership Frequently Asked Questions

Which games can I use my membership at?

You can use your 2-game membership card at any regular season home game played at State Basketball Centre in Wantirna South, except for the Cup Eve Derby on Monday November 5. For the Cup Eve Derby you will need to purchase reserve seats via www.trybooking.com/boomers

What do I do with my pass when I arrive at a game?

As a member you won't need to line up at the ticket desk. Simply proceed to the court where a Boomers staff member will clip a hole in your pass on the basketball image that appears on the back of your card. Once you have attended two games and both basketball images have been clipped, your card will no longer be valid for entry.

Can I pass my card to someone else for use?

Yes, you can. Provided the card is valid and the person you give it to is 17yrs or younger.

Can I upgrade to a full-season membership?

Yes of course. A general admission full-season membership pass only costs \$49 and will provide entry to all regular season home games, including the Cup Eve Derby. Remember to arrive early.

Where does my membership allow me to sit?

Your membership entitles you to sit in General Admission areas only – you do not have reserved seating. We encourage you to arrive for games early as all GA memberships are subject to seating availability. If pre-sales are reaching capacity we will be sure to email you so that you can pre-purchase reserved seating if required.

If I want to bring other people with me and they need tickets, how does that work?

If you want to sit together you have two choices - family and friends will be able to purchase GA tickets at the game. Simply go to the ticket desk upon arrival and pay for tickets, but again remember that GA seating is subject to availability so arrive early. If you want reserve tickets, this can be done online at www.trybooking.com/boomers, but note that these will be reserved seats and GA membership holders won't be able to sit in the same area, so we encourage you to also buy a reserve seat ticket so you can sit with your family and friends.

As a 2-Game Member, what other benefits do I receive?

Like all members, you will receive priority access to finals tickets, plus we will send you all team and club updates on a regular basis. After all, you're part of the Boomers Family!
